Relational 

Classes are Free of Charge

Childcare provided for all

Pathway to an Abundant Life

March 2 - April 6; 7 - 8pm. Led by Vicki Conn

In this 6-week class, you will draw from the Truth in John 10:10, recognizing that the enemy comes to steal, kill & destroy, BUT that Jesus came to give life abundantly. You were created to function wholly in all areas of your life – spiritually, relationally, mentally, emotionally, physically and materially. As a broken human, how do you break free from the enemy's ploys and instead experience shalom – holy wholeness? You don't have to be paralyzed in the pit; instead, you can be rooted in His Truth and experience hope and freedom in Jesus.

From Darkness to Dawn

March 2 - April 6; 7 - 8pm. Led by Jay Conn

What better way to enter into a season of Lent and Easter than by journeying alongside Jesus—exploring the key events that led to the cross, walking the path of the cross itself, and reflecting on the power of the resurrection. In this 6-week class, we will examine the final week of Jesus' life, the stations of the cross, the quiet waiting between Friday and Sunday, and the profound significance of that first Easter sunrise, when the tomb was found empty. Together, we will seek to understand the deep meaning of everything that took place leading up to the resurrection of Jesus.

Meal Prepping

March 2 - April 6; 6:30 - 8pm. Led by Kate Shumaker & Blaine Hoxworth

Join us for this 6-week class that will be a blend of hands-on activities led by Kate Shumaker and some conversation-based sessions led by Blaine! Alternating weeks between hands-on activities and conversation-based lessons, we will explore topics such as meal prepping, crockpot meals, snack prepping, freezer meals, fridge prepping, and creating meals with what's in your pantry!
